KitchenAid®

Choose the right action for various types of loads.

- The Superba VariCycle—truly the finest, most advanced dishwasher ever designed. Here's why:
- **NEW PUSH-BUTTON EASE** Rinse and Hold—rinse for partial loads that removes food rinsing. Holds and stores until you accumulate a full load. Full Cycle—the complete "full cycle" wash, rinse and dry. Utility and Utensil—individual treatment for utensils.
- **NEW KING-SIZE CAPACITY**—handles a whole day's tableware for a good-sized family... top rack adjusts for variable loads. Service for 12 (NEMA standards)
- **NEW DOUBLE WASH, TRIPLE RINSE**—KitchenAid now scrubs twice—then rinses three times. Detergent is automatically released for each wash. Rinsing Agent Dispenser for spotless drying.
- **NEW LUXURIOUS LOOK**, with modern styling and wide choice of finishes, including wood.
- **2 OTHER NEW KitchenAid SERIES**—the Imperial, with many "Superba" features... the Custom, for the economy budget.

Come in and get all the facts on these new models and new features.
